

SUNDAY MORNING PORT OF CALL HITS ALLEGY

Has Never Met Such Opposition
As At Baltimore, Declares
the Rev. Don S. Colt.

DISSATISFIED OVER TICKETS

Charges Made Ministers Cannot
Get Trail-Hitters Admitted.
George Sunday Blamed.

BALTIMORE, April 11.—Charges that ministers have been slighted in the allotment of tabernacle seats, and that they have been unable to gain admission for prospective trail hitters, and particular complaint against the administration of George Sunday, business manager of the Sunday campaign, were made at a meeting of the executive committee of the campaign yesterday at the Bible House.

Never has Billy Sunday met such opposition as that which he has encountered in Baltimore, according to the Rev. Don S. Colt, chairman of the prayer meeting committee, and he added that "he may now be at the most critical point in his career."

It became known that the ministers held a meeting a few days ago to voice their dissatisfaction at the manner of distributing passes for the tabernacle meetings. The Rev. Don S. Colt, who said he had hoped to hear a report made about the matters brought up at the meeting.

Ministers Voice Complaint.

Dr. Watson said he believed the matter is entirely up to George Sunday. Dr. Colt agreed with him. Dr. Colt has been one of the most enthusiastic and active workers in the campaign, and it was he who organized the extensive series of prayer meetings for weeks before the evangelist arrived.

"We ministers really have more interest in this campaign than Mr. Sunday has," Dr. Colt said. "We were here before he came and we are going to be here after he is gone. There is a lamentable feeling of dissatisfaction among the ministers, inasmuch as tickets have been handed out to other persons, while the ministers have received none. George Sunday has arranged, however, to give the ministers about 150 tickets."

"But we don't want the Sunday party to say that we shall have only two or three tickets apiece," Dr. Watson said to this. "We have a right to go to them and say that we want as many tickets, and get them without more ado."

"Well, I would suggest," Dr. Colt said, "that this executive committee ask the Sunday party that the request of the ministers be granted. Maybe the Sunday committee will listen to the executive committee, where it will not listen to us ministers."

Says Seats Are Plentiful.

Dr. Berdham also spoke of the difficulty of securing tickets. Summerfield Baldwin said that he, too, had had trouble in the matter. He had to go through as much red tape, lost so much time and suffered no many embarrassments, he said, that he had practically given up any hope of getting passes.

Later Dr. Watson said that one trouble is that church people are taking up too much room at the tabernacle.

"There are some people who almost live in the tabernacle and in the best seats," he said. "There are some men who said 'goodbye' to their wives when this campaign began who haven't seen them since."

When Joshua Levering protested that the complaint about being unable to get good seats in the tabernacle is unfounded. He said that in the afternoon there are vast numbers of vacant seats, even in some of the best sections, and that the nights when all seats have been taken have been very few.

Tells How Lighthouses Protect U. S. Commerce

How lighthouses and channel buoys protect commerce in American waters was described last night by J. S. Conaway, deputy commissioner of lighthouses, before the Ohio Society at Rauscher's.

The lecture was illustrated with moving pictures and lantern slides. Associate Justice Day, of the United States Supreme Court, was re-elected president of the society. The society telegraphed the news to him at Canton, Ohio, where he is recovering from recent illness.

Mrs. William Hamilton Bayly, Walter W. Warwick, and Thomas Ewing were chosen vice president and other officers elected were William S. Synnott, secretary; Frederick Kiehlberger, treasurer; the Rev. H. N. Couden, chaplain; Frank G. Carpenter, historian; and Milton E. Allen and Leroy T. Vernon, trustees.

How to Destroy Catarrh Germs and End Catarrh Forever.

Catarrh is a germ disease, and the only way to cure it is to kill and drive out of your system the catarrh germs which have found lodgment there. When the germs go the catarrh will stop. The trouble with most treatments, like sprays, salves, creams, grayish balms, lotions, etc., is that they give only temporary relief by opening up the inflamed, swollen membrane of the urethra, while the clogged head, throat and nostrils, in a little time the Catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing better for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyonol, the renowned high-grade medicine made from purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyonol penetrates and kills the inflamed, swollen membrane of the urethra and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyonol reaches them. O'Donnell's Drug Store and many other good drug stores in Washington and vicinity have long sold Hyonol on a positive guarantee of successful results or a money back and find that Hyonol pays. Most druggists are now giving a pocket inhaler made of hard rubber with a very complete treatment of Hyonol. This makes a very simple, easy, and convenient, as well as a thoroughly reliable means of treating the best known method this dangerous and often disgusting disease.—Adv.

Put Up a Letter Box And Get Better Mail Service, Chance's Plea

Provide yourself with a letter box and insure yourself a better mail service.

This is the gist of the plea of Postmaster Merritt O. Chance in his Letter Box Campaign.

You are not asked to provide a letter box to help the carriers do their work, or to help the postoffice make an efficiency showing, or to lighten the carriers' work, he asserts. The whole campaign is for the sole idea of giving the Washington public better service.

HOW YOU WILL BENEFIT.

How will you be compensated for the slight trouble of providing a box where a carrier can leave your mail? You will get your delivery of mail anywhere a few minutes to an hour earlier.

Ultimately your neighborhood may be provided with more deliveries and more collections.

You will not run the risk of having important mail taken back to the office, and delayed until the next delivery.

You will not have to run to the door when the carrier comes around if it is not convenient to do so then.

You will be able to mail a letter for some address in the District at a later hour and have it delivered some time during the same day.

This is the list of the principal claims made by Postmaster Chance for the advantages of a universal cooperation in the letter box campaign.

Furthermore, Mr. Chance asserts, you will not be depriving any carrier or mail collector of a job, for it is intended to use the time gained in the delivery of mail to the letter box.

"That point always is raised whenever there is a move made in the interest of efficiency," said Mr. Chance. "I cannot state too strongly that it is without foundation. What we are aiming to do is to provide better service, and not to cut down the force."

Ten Seconds Lost at Every Door.

Every time a carrier has to stop and ring a doorbell and wait for you to come to get your mail it is estimated that he loses ten seconds of time. On an average, Mr. Chance has calculated, each carrier loses an hour a day in this fashion. With mail boxes on every door the persons at the end of the route will get their mail nearly an hour earlier.

That effect will be for a time then it is hoped that those sections which have a heavy delivery will be provided with more deliveries each day. The time gained by the carriers will be put to use.

In the business section there are now four deliveries and eighteen collection daily. In the residential sections there are two and three deliveries and from six to eight collections.

The postmaster believes that it will be possible to provide five deliveries in the heaviest business sections, and to extend the zone of the three daily deliveries in the residential section, if 50 per cent or more of the households will operate by placing individual mail boxes on their doors.

In the residential section already about 20 per cent of the houses and individual apartments are provided with mail boxes, and in the business section the present percentage is 27.

Incidentally, the campaign is not new.

Iron Is Greatest of All Strength Builders, Says Doctor

A Secret of the Great Endurance and Power of Athletes

Ordinary Nuxated Iron Will Make Delicate, Nervous Run-down People 200 Per Cent Stronger in Two Weeks' Time in Many Cases

NEW YORK, N. Y.—Most people foolishly believe that they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. Sauer, a specialist of this city, when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food, because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by the lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were failing, the while, to double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron.

NOTE—Nuxated iron recommended above by Dr. Sauer is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents is widely prescribed by eminent physicians everywhere. Unlike the older iron compounds, it is easily assimilated, does not irritate the stomach, and in nearly all forms of indigestion, as well as of nervous, run-down conditions. The Manufacturers have such great confidence in Nuxated iron that they offer to refund \$100.00 to any charitable institution if they cannot take any man or increase his strength 200 per cent in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is for sale in this city by Jas. O'Donnell Drug Store, Riker & Heumann, People's Drug Store, and all other druggists. —ADV.

How to Destroy Catarrh Germs and End Catarrh Forever.

Catarrh is a germ disease, and the only way to cure it is to kill and drive out of your system the catarrh germs which have found lodgment there. When the germs go the catarrh will stop. The trouble with most treatments, like sprays, salves, creams, grayish balms, lotions, etc., is that they give only temporary relief by opening up the inflamed, swollen membrane of the urethra, while the clogged head, throat and nostrils, in a little time the Catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing better for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyonol, the renowned high-grade medicine made from purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyonol penetrates and kills the inflamed, swollen membrane of the urethra and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyonol reaches them. O'Donnell's Drug Store and many other good drug stores in Washington and vicinity have long sold Hyonol on a positive guarantee of successful results or a money back and find that Hyonol pays. Most druggists are now giving a pocket inhaler made of hard rubber with a very complete treatment of Hyonol. This makes a very simple, easy, and convenient, as well as a thoroughly reliable means of treating the best known method this dangerous and often disgusting disease.—Adv.

Fifty Specials for Wednesday

Tomorrow will be a day of wonderful value-giving at "The Dependable Store." We've arranged these FIFTY SPECIALS for Wednesday's selling, and searched out the biggest and best values offered in a long while. Plan to be here tomorrow to get your share of the bargains.

Special No. 1.

75c Rubber Door Mats

With This Coupon 19c

Rubber Door Mats, size 14x35 inches, in fancy designs. Every one guaranteed for service. Regular 75c value. With this coupon for 19c. Basement. (T.)

Special No. 2

Women's Kid Boudoir Slippers, at 69c Pair

Women's Boudoir Slippers of kid, in red, pink, lavender, blue, tan, and green; sizes 3 to 7. (First Floor.)

Special No. 3

\$9.00 Seamless Congoleum Rugs, Size 9x12 Ft., at \$5.95

Largest Room Size 9x12-ft. made in one piece and shown in pretty oriental designs; suitable for dining or bedroom and kitchen use. These Rugs are widely advertised in all the leading magazines and need no further introduction. So called "run-of-the-mill" on account of a slight shading. (Fourth Floor.)

Special No. 4

\$5.95 Reversible Art Rugs, 9x12 Ft. Size, at \$3.45

9x12-ft. Large Room Size Seamless and Reversible Art Rugs the most popular rug used today. In small figures and modern designs; in green, red, and brown colorings. (Fourth Floor.)

Special No. 5

15c China Mattings, Twenty-Yard Rolls, at \$2.19

Heavy, Close-woven Seamless China Mattings, in checks and stripes; of green, red and brown. (Fourth Floor.)

Special No. 6

59c Japanese Matting Rugs, 3x6 Ft. Size, at 39c

160-warp Japanese Matting Rugs, close-woven, smooth-finish straw, in double-dye colorings of green, red and blue; handsome carpet designs. (Fourth Floor.)

Special No. 7

12 1/2c Summer Draperies, 36 Inches Wide, at 6 1/2c Yard

36-inch Madras, Seersucker and Gingham Drapes, for curtains and draperies for doors and windows; light and dark colors; figured and plain centers, with pretty floral borders. Make the home cozy at very little cost. (Fourth Floor.)

Special No. 8

29c Window Shades, Complete, at 15c Each

Opaque Cloth Window Shades, size 3x8 feet; mounted on good, strong spring rollers; in white, ecru, and several shades of green; subject to slight imperfections, but the defects are not sufficient to affect the wear nor appearance. Complete with crochet ring to match. (Fourth Floor.)

Special No. 9

10c Rolls of Crepe Toilet Paper, 3 Rolls for 9c

Three large size rolls of Woodpecker Brand Crepe Toilet Paper, a regular 3c value. Basement.

Special No. 10

Women's 69c Black and White Stripe Petticoats at 49c Each

Women's Black and White Stripe Petticoats, of imitation Heather-bloom; made with stylish flaring flounces and narrow, elastic fitted waist bands. All lengths. Third Floor.

Special No. 11

Women's Nainsook Envelope Chemises at 49c Each

Women's Nainsook Envelope Chemises; square and V shaped necks; trimmed with val lace insertion and ribbon, others with fine embroidery and ribbon. Third Floor.

Special No. 12

Children's \$4.00 Spring Coats at \$2.98

Sample line of Children's Spring Coats, of woolen checked materials, with velvet collars and cuffs; also of serge, with white collars and cuffs; belted effects; sizes 2 to 6 years. Third Floor—Juvenile Section.

Special No. 13
